 GEOMETRY ..... MWF 12PM – 3PM  
 PRECALCULUS ..... MWF 12PM – 3PM

TO BE DETERMINED BY STUDENT ENROLLMENT...

**\*\*\* Classes will be offered in the traditional classroom, online, or on Zoom \*\*\***

**Orientation Day for Summer School is Monday., JUNE 12<sup>TH</sup>:** Students will all report to chapel at 9 am to determine which classes they will be in either on MWF or Tuesday/Thursday. Please note that we have concentrated our summer school courses into one month and this is why we added Friday to our MW classes and we have extended the hours of our Tuesday/Thursday classes to 2 pm from their original 12 pm.

**Additional Classes:** If a class is not offered and 3 or more students would like to take it, then please speak with Pastor Victor and it is possible that ADCS will offer the class. For example, Bible, Art, History, Chemistry, Physics etc. Each class requires attendance and independent studying on the break days in between. They each get credit for an entire year of the subject that it is in. For example, a student who takes Geometry during the summer and passes can go directly to Algebra 2.

**International Students Please Note:** If this is your first year at ADCS, then you must take ESL during the summer. This is not negotiable and no I-20s will be signed for you to leave the country if you do not comply with this rule. This is so that you can get at least 1 year of continuous ESL training. If you are an international student who did not take ESL last year during the summer then you must take it this year especially if you are in 11th Grade or else you will not be able to graduate.

**If you have already taken ESL through ADCS last summer** then you no longer need to take it this summer but you can register to take it to get further training if you want to.

**\* We reserve the right to cancel a class if there is not enough enrollment to justify keeping the class \***
